8. Which aspects of the course were most valuable?									
Learning about aggregate/demand.									
Adding the voice recordings really helped a lot. I've never taken an online class before so I'm really glad this was my first online class because it was manageable and I loved that the professor made it simple to understand.									
Professor Vasireddy communicated effectively and in a timely manner. She was easy to work with and make accommodations with the students in mind. And was also wary of the fact that it was an online summer course.									

9. Which aspects of the course were least valuable?									
Nothing									

10. The instructor was able to explain concepts clearly and effectively.
